I request permission to participate in horseback riding and other stable activities at Kemptville Campus, University of Guelph.

I fully understand that horseback riding, handling and grooming of horses, and other stable activities are very dangerous. I have conscientiously undertaken to become fully informed of all the risks associated with horseback riding, handling and grooming of horses, and other stable activities, and further I fully understand and accept that horses are not wholly predictable in their actions, no matter what their level of training may be or their previous behavior might indicate, and that unpredictable behavior, including but not limited to: spooking, falling, refusing, kicking and rearing, do not in any manner constitute negligence on the part of Kemptville Campus, University of Guelph.

I wish to participate in these activities knowing that they are dangerous. I fully understand that such participation may result in injury, disability, or damage to myself, my personal property or the property of others.

Replace above with 'In exchange for being permitted to participate in these activities, for myself, my heirs, guardians, and legal representatives, I release Kemptville Campus, University of Guelph, of all liability related to any and all activities I undertake. I further indemnify all of the Kemptville Campus owners, officers, directors, members, employees, and guests, or any land owner, land holder, or other persons making property available to Kemptville Campus, University of Guelph, for injury or death to me, or any damage to my property. These indemnifications are given regardless of anyone's negligence or any other cause, arising out of my participation in these dangerous horseback riding or related activities, including but not limited to my requirement to wear protective headgear and equipment while riding.'

I also agree that if anyone makes any claims because of any injury to me (including death), or for any damage to my property, I will keep all those released by this agreement free of any damages or costs because of those claims.
