

Bring Your Own Horse

Bring your own horse to the University of Guelph Kemptville Campus and spend a week bonding and learning to grow as a team at our all-girls summer camp program for students aged 13 to 17.

Our week long program includes discussion and practical application of the knowledge essential for all horse owners and lovers.

Participants will take part in equine care and management while participating in many hands-on learning activities.

While you and your horse are here, you will have one group riding lesson daily. A strong focus is placed on building your skills and helping you develop a training plan that can be implemented at home.

Ride • Learn • Lead

The majority of your time is spent at our equine facility. With classrooms, indoor and outdoor riding and two large horse barns, the A.M. Barr complex is the ideal setting for learning.

Our large well-ventilated barn will provide a safe and comfortable home and learning environment for your four-legged friend.

Topics Include:

- Farm Safety
- Horse Identification
- Feeds and Feeding
- Unsoundness and Blemishes
- Conformation
- The Foot and Shoeing
- Horse Transportation
- Blankets
- Bedding and Stall Care
- Stable Construction
- Presentation for Competition
- Equine First Aid

Participants will fill their evenings with many fun activities including:

- Leadership
- Hiking
- Swimming
- Games
- Bonfires
- Sports
- Crafts
- Team and Confidence Building Activities

Three meals daily and snacks will be provided by our on-site caterer. Participants will stay in our safe, secure, air-conditioned residences centrally located on our beautiful campus.
