- | | |
|---|--|
| <input type="checkbox"/> Horse stands on cross ties and does not pull back to break them. | <input type="checkbox"/> Horse paces inside the stall. |
| <input type="checkbox"/> Horse easily spooks on cross ties. | <input type="checkbox"/> Horse gets nervous outside and runs the fence line. |
| <input type="checkbox"/> Horse very nervous about anything above his/her head | <input type="checkbox"/> Horse loves being outside |
| <input type="checkbox"/> Horse is bomb proof! | <input type="checkbox"/> Horse likes to be top of pecking order. |
| <input type="checkbox"/> Horse is an escape artist and opens own stall door. | <input type="checkbox"/> Horse is bottom of pecking order. |
| <input type="checkbox"/> Horse never opens stall door. | <input type="checkbox"/> Horse is middle of pecking order. |
| <input type="checkbox"/> Horse is comfortable when in a stall. | <input type="checkbox"/> Horse very herd bound. |
| <input type="checkbox"/> Horse has never been in a stall. | <input type="checkbox"/> Horse is relatively social and has lots of friends in the herd. Never asks for trouble. |
| <input type="checkbox"/> Horse does best in a stall at night. | <input type="checkbox"/> Horse seems to stay by himself/herself in the herd and acts happy that way. |
| <input type="checkbox"/> Horse does best outdoors at night. | <input type="checkbox"/> Horse is barefoot. No shoes at all. |
| <input type="checkbox"/> Horse is flexible about where he/she is at night. | <input type="checkbox"/> Horse wears shoes on all four feet. |
| <input type="checkbox"/> Horse respects wood fences. | <input type="checkbox"/> Horse wears shoes on front feet only. |
| <input type="checkbox"/> Horse kicks stall when eating. | <input type="checkbox"/> Horse will not pick up feet. |
| <input type="checkbox"/> Horse cribs | <input type="checkbox"/> Horse picks up front feet easily and back feet are harder. |
| <input type="checkbox"/> Horse lunges over stall door at other horses or people. | <input type="checkbox"/> Horse bites when feet picked. |
| <input type="checkbox"/> Horse weaves. | <input type="checkbox"/> Horse will pick up all four feet easily for cleaning. |
| <input type="checkbox"/> Horse nods or shakes head when bored. | <input type="checkbox"/> Horse needs chain lead line. |
| <input type="checkbox"/> Horse chews on the wood in stall. | <input type="checkbox"/> Horse tacks up easily. No problems. |

- Horse has no bad habits inside the stall.
- Horse has electric fence at home.
- Horse lays out flat when sleeping.
- Horse rears in stall.

- Horse bites if girth too tight, too fast.
- Horse rears if girthed too quickly.
- Horse is happy, mellow, and fun!
- Horse fusses with horse in next stall.

This is your chance to **share your horse's likes and dislikes**. How well do you know your horse? (Please check.)

My horse carries his/her head:

- very high very low just right.
- I would like to work on my horse's head carriage.

When I'm riding, my horse:

- pulls me forward in the saddle.
- has an annoying habit of pulling the reins out of my hands.
- chews on the bit constantly with his/her mouth open.
- shakes his/her head when being ridden.
- takes off or rears up.
- kicks out at other horses.
- lunges at other horses.
- is easily spooked by other horses.
- listens well to the rider's hand.
- is cooperative in a class of horses.
- does everything I ask him/her to do.
- is willing to try new things.

I trust my horse completely:

- on trail rides
- even in weather changes
- in the ring
- around dogs
- over jumps
- in an indoor arena
- in the barn
- even near deer, turkeys, pheasants, cows, skunks

My horse:

- loves to jump.
- picks his/her distance naturally.
- runs out as he/she comes to a jump.
- speeds up in front of a jump.
- stops in front of a jump.
- has never jumped outside a ring.
- puts his head down over a jump.
- speeds up after a jump.

My horse and I have done:

- dressage figures
- Eventing
- leg yielding
- cross country
- turns on the forehand
- turns on the haunches
- counter canters
- simple changes
- collection
- drill team
- trail rides only
- mostly jumps
- riding lessons
- endurance rides

Because we want to know your horse well, tell us his/her **odd or funny habits**.

Turnout: please detail your horses current turnout situation (single, group) as well as any requests regarding turnout.

Please Include:

- (1) A copy of a Negative Coggins
- (2) Certificate of Soundness from a licensed veterinarian
- (3) Signed "Acceptance of Risk" form
- (4) Forward a short video of the participant riding the horse being brought to camp to:
jrommens@kemptvillec.uoguelph.ca

or mail video on DVD to:

University of Guelph, Kemptville Campus
Conference Services
830 Prescott Street, P.O. Box 2003
ATTENTION: Jared Rommens

Please Understand

- Current Rabies, Tetanus, EEE, WEE, WNV, Potomac Horse Fever, Strangles, Influenza and Rhinopneumonitis vaccines are highly recommended
- Please make sure your horse has had their feet done prior to camp.
- Bringing your horse to camp does expose him/her to any health problems presented by other horses also brought to camp.
- The well being and care of all horses on campus fall under the Animal Care Protocols of the University of Guelph: Kemptville Campus
- In the case of conflict or difference of opinion regarding care of a horse on campus, the University of Guelph: Kemptville Campus reserves final authority, otherwise the horse in question must leave campus
- Horse injuries or "incidents" must be reported to the ACC (Animal Care Committee) immediately (proper reporting procedure will be guided by instructors)

I understand the information above _____
(Initial)

Equine Agreement and Acknowledgement

Unless I advise you otherwise in advance in writing, I approve of my horse's participation in all of the camp's programs and activities, and acknowledge that such participation involves risks and hazards incidental thereto, all of which are expressly assumed by me. I hereby waive, release, absolve and agree to indemnify and save harmless University of Guelph: Kemptville Campus and its' Directors and employees. I agree that having such taken precautions as in your discretion are considered advisable; you shall not be held responsible for any accident or sickness to my horse. Should my horse require emergency veterinary attention, I hereby consent for my horse to receive examination and treatment. All reasonable attempts will be made to contact the owner or lessee prior to any treatment. I agree to be responsible for any expenses incurred including, but not limited to veterinary, pharmaceutical, damage, and transportation costs. University of Guelph: Kemptville Campus will not be responsible for any loss or theft of participants property. I hereby consent that University of Guelph: Kemptville Campus may use any photos or video taken of my horse for promotional materials. Information on this application is kept private and confidential, it is not released to a third party.
